Public comment on KS-1.0

Verified Stop Standard for Advanced AI Systems · Draft 0.9.3 · comment period closes November 15, 2026

Complete this form and upload it at aiwatchdogalliance.org/comment.html, or email it to es-001std@aiwatchdogalliance.org. Every comment is numbered and counted, read by the Working Group, and incorporated or answered in writing in the version 1.0 comment record. None is left behind. You receive a numbered, timestamped receipt by return email; it is your proof.

Name (required)

Email, for your receipt (required)

Organization

Role (operator, developer, maker, counsel, insurer, public)

Clause, annex or criterion (e.g. 9.2, Annex E, Criterion F, general)

Type of comment

Technical

Comment: the issue, the reason, and the change you propose (required)

Continue on page 2 for proposed text and publication choices.

Proposed text, if any (write the clause as you would have it read)

Supporting references, if any (titles, links, citations)
